**SUBJECT: STUDENT DIRECTORY INFORMATION**

The District will publish an annual public notice informing parents or eligible students of their right to refuse the release of student directory information and indicating a time period for their response. Following such public notice and a reasonable response period, the District may release such information to an outside group without individual consent.

In accordance with the Family Educational Rights and Privacy Act (FERPA), the District defines student directory information as the following: name; address; telephone listing; date and place of birth, enrollment status (e.g., undergraduate or graduate, full time or part time); major field of study; grade level; participation in officially recognized activities and sports; weight and height (if members of athletic teams); dates of attendance; honors, degrees and awards received; electronic mail address; photograph; student ID number, and the name of the educational agency or institution most recently previously attended by the student.

The release of student directory information is not to be confused with the release of secondary school students' names, addresses and telephone listings to Military Recruiters (Policy #7243). In compliance with the Elementary and Secondary Education Act of 1965 as amended by the No Child Left Behind Act of 2001 (NCLB), the National Defense Authorization Act and in accordance with FERPA, the School District will comply with the request by a military recruiter for this information unless a parent has "opted out" of providing such information.
